## Bulky Item Pick-Up

Are you replacing an old sofa, water heater or refrigerator and don't know what to do with it? Residents can request up to two curbside collections of large or bulky items during a calendar year. Limit of five items per collection. This program is at no additional cost and designed for your convenience. Please call our Customer Service department at (760) 951-0006 to arrange a pick-up. This collection does not include concrete, rock, dirt or construction/demolition materials.

## Collection Day Reminder

On collection day, please place your containers in the street, at the curb, or near the corner of your driveway. Barrels should have the handles facing towards your home. Barrels should be placed 1 foot apart from each other. The barrels need to be placed at least 3 feet away from any obstruction such as a fence, mailbox, or vehicle.

**All barrels must be curbside by 6:00 a.m. on your service day.**

## Christmas Tree Recycling

Burrtec will collect and recycle Christmas trees from single-family residences. Please place your tree at curbside after Christmas on your collection day. Burrtec will provide this service for approximately a 2 week period after Christmas Day. Trees 6' and over need to be cut in half. Please take all ornaments, lights, and metal stands off of the tree. Flocked and Non-Flocked trees will be collected and recycled.

### Windy Day Advisory

Weather conditions cause problems with the collection of trash and recyclables. Containers frequently tip over, causing spillage and materials to get strewn throughout streets and neighborhoods. In an effort to assist in the prevention of these situations, the following are suggestions:

- Bag and tie trash and/or recyclables before placing in barrels – This will make clean-up efforts easier should the barrels blow over.
- Avoid placing trash and/or recycling out on windy days – If possible, do not set your trash or recyclables out for collection on windy days. Bag any excessive trash and recyclables that will not fit in your barrel and Burrtec will collect all accumulated bags along with your containers on your next scheduled collection day.

Thank you for your assistance in keeping your neighborhoods clean.

### Holiday Waste Reduction

This holiday season, choose to reduce your waste! Donate unwanted and usable toys, clothing, bikes and electronic items to local charities or bring them to the Helendale Thrift Store located at 26540 Vista Rd., Suite A. You can drop off your gently used items Monday – Saturday from 11 am -5 pm.

### Extra Holiday Waste

Approximately 80% of holiday trash is recyclable. All gift boxes, wrapping paper, greeting cards, and cardboard packaging are items that may be placed in the recycling barrel. Burrtec will collect excess holiday trash and recyclables for a 1 week period after Christmas Day. Single-family residences may place excess holiday trash/recyclables in bags alongside their containers on collection day.

### Temporary Containers for Special Clean-Ups Available

Burrtec offers large and small containers for residential clean-ups and special projects. Containers are available for seven-day rentals and include delivery and removal. All unwanted materials can be placed directly into the container with the exception of hazardous waste, tires or large amounts of dirt, rock, concrete or asphalt. Please call our Customer Service Department to order one today!
