Collection Day Reminder

On collection day, please place your containers in the street, at the curb, or near the corner of your driveway. Handles of your containers should be facing your home. Containers should be placed 1 foot apart from each other and need to be placed at least 3 feet away from any obstruction such as a fence, mailbox, or vehicle.

All containers must be curbside by 6:00 a.m. on your service day.

The Holidays are Soon Approaching

Burrtec will collect and recycle Christmas trees from single-family residences. Please place your tree at curbside after Christmas on your collection day. Burrtec will provide this service for approximately 3 weeks after Christmas Day. Trees 6' and over need to be cut in half. Please take all ornaments, lights, and metal stands off of the tree. Flocked and Non-Flocked trees will be collected and recycled.

Extra Holiday Waste

Approximately 80% of your holiday trash is recyclable. All gift boxes, wrapping paper, greeting cards, and cardboard packaging are items that may be placed in your recycling barrel. Burrtec will collect your excess holiday trash and recyclables. Beginning the day after Christmas for approximately 1 week, place excess holiday trash/recyclables in bags alongside your containers on your collection day.

Do Your Part to Reduce Organic Waste

- Store food properly to avoid spoiling
- Eat leftovers before preparing a new meal
- Compost your food scraps at home
- Buy only what you need
- Practice smart shopping by sticking to your shopping list

Living with Wildlife Tips

You can help keep your neighborhood clean by doing the following:

- Avoid placing trash and recycling out on windy days.
- Put trash cans out the morning of collection day.
- Store trash and recycling in the garage if possible.
- Do not leave pet food or water outside.
- Trim ground-level shrubbery to reduce hiding places.
- Pick-up fallen fruit from the ground.
- Be sure to place your trash into a large trash bag and tie it closed before placing in the barrel. This will make clean-up efforts easier should the barrels tip over.
- A variety of products are available to prevent wildlife access to human food sources, please visit www.wildlife.ca.gov/Keep-Me-Wild/Products to learn more.

FREE CHRISTMAS TREE MULCH
Available mid-January to mid-February or *while supplies last.*

Burrtec is offering FREE Christmas tree mulch this holiday season. The Christmas tree mulch is provided on a first come, first serve basis. Mulch is available while supplies last. New stock is replenished daily. Other landscape products such as compost and wood chips are also available for purchase.
