Extra Holiday Waste

Approximately 80% of your holiday trash is recyclable. All gift boxes, wrapping paper, greeting cards, and cardboard packaging are items that may be placed in your recycling barrel. Burrtec will collect your excess holiday trash and recyclables. Beginning the day after Christmas for approximately 1 week, place excess holiday trash/recyclables in bags alongside your containers on your collection day.

The Holidays are Soon Approaching

Burrtec will collect and recycle your Christmas tree! Residents with curbside collection, please place your tree at curbside after Christmas on your regular collection day. Trees 6' and over need to be cut in half. Please take all ornaments, lights, and metal stands off of the tree. Burrtec will provide this service for approximately 3 weeks after Christmas Day. If you have Clean Mountain service, please bring your tree to any one of our six drop off locations (see map on page 2). If you have any questions, please contact Burrtec's Customer Service Department at (909) 338-2417 for more information.

Clear the Ice, Clear the Way: Avoid Service Delays

Is your home on pull out service? If so, to ensure service is completed accordingly, please make sure your driveway/path is clear of ice/snow. This helps our staff make their way safely to make sure your containers are emptied. Thank you!
