Free Bulky Item Collection

Santa Clarita residents with active trash service receive up to four (4) free bulky item pick-ups per year, with three (3) items per pick-up. Please contact Burrtec Customer Service at (661) 222-2249 at least 48 hours in advance of your regular service day to schedule a bulky item pick-up. Electronic waste, or E-waste, can be recycled through bulky item drop-off, mobile collection event or SAFE Collection Center.

Acceptable items include: furniture, appliances and mattresses. For the health and safety of our drivers, we ask that all mattresses be wrapped in plastic.

Non-acceptable items include: hazardous waste, machinery and industrial discards, electronic waste, oil, grease and other liquids, construction and demolition debris or excessively large items.

Did You Know?

Household Hazardous Waste (HHW) includes items like paint, pesticides and electronic waste. There are many other household items that may seem non-toxic but are very harmful to the environment if not disposed of properly. Items like pool chemicals, household cleaners, automotive fluids, medication and needles, beauty products, batteries and compact fluorescent light bulbs are all considered HHW items.

You can check the calendar and events section on GreenSantaClarita.com for updates on the next HHW and E-waste collection event or visit the Los Angeles County website, 888CleanLA.com or call toll free at 1(888) CLEAN LA for additional information. There are two permanent collection centers near Santa Clarita to dispose of your Hazardous Waste and E-waste year-round on Saturdays and Sundays:

11025 Randall St
Sun Valley, CA 91352

10241 N Balboa Blvd
Northridge, CA 91325

Top 5 Items to Keep OUT of Your Recycling Cart

Here are the 5 top items that should never be placed in your recycling cart:

- No Garden Hoses.** Despite being made from rubber, vinyl or a combination of both, this item belongs in the garbage container.
- No Diapers.** Diapers are not considered organics and are not recyclable. They belong in your black garbage container.
- No Hazardous Waste.** Paint, motor oil, batteries, syringes, needles, etc. are all considered Household Hazardous Waste (HHW). Hazardous Waste puts our trucks and facility at risk and should not be placed in your garbage cart either. Visit GreenSantaClarita.com for proper disposal options, mobile HHW and E-waste event information and collection center details.
- No Flimsy Plastic.** Flimsy plastic, like pet food bags, produce bags or regular plastic grocery store bags are not recyclable and belong in your black garbage container. Consider reusing closeable bags to collect food waste!
- No Electronic Waste.** Electronic waste, or E-waste, can be recycled through bulky item drop-off, mobile collection event or SAFE Collection Center.
